You benefit from Co-op Connections®!

Adams Electric Cooperative, a Touchstone Energy® cooperative, is proud to be an integral part of the communities we serve. That's why we're introducing Co-op Connections, a new program that helps you receive discounts on products and services from participating local and national businesses.

Free to all members

Each member of our co-op receives the Co-op Connections Card free. There's no sign-up. No annual fees. You get your Co-op Connections Card simply because you're a member of your local electric co-op.

Valuable discounts

- Look for the Co-op Connections window clings and register stickers at local businesses.
- Show your Co-op Connections Card and get valuable discounts from these participating businesses.
- Your card also entitles you to substantial pharmacy discounts* nationwide!
- Watch for updates in our newsletter and on our Web site.

Watch the mail for your free Co-op Connections Card!

In February 2010, you will receive a Co-op Connections card and two key fobs for your household. Just one more way you benefit from being a cooperative member.

Touchstone Energy is a nationwide alliance of more than 680 not-for-profit electric cooperatives. Each is member-owned and dedicated to upholding the cooperative principles of innovation, integrity, accountability and commitment to community.
