

## Help Fellow Members During Times of Financial Stress

For 25 years, Adams Electric Cooperative's **Project Helping Hand (PHH)** has helped members in need pay their electric bills. On average, 250-300 members are helped by the program each year.

Nearly 5,000 Adams Electric members allow their bills to be rounded up to the next highest dollar each month through the PHH Round-Up Program. Now you too can help your fellow co-op members in need by allowing the co-op to "Round-Up" your electric bills each month?

### How Round-Up works. . .

- If your electric bill is \$85.36, you pay \$86. Your bill would show that you are giving a \$.64 Round-Up contribution to PHH.
- Your Round-Up donation and checks payable to Adams Electric's Project Helping Hand Fund are **tax-deductible**.
- Your annual Round-Up donation will average around \$6 (may be as low as \$.12, but not more than \$11.88 per year). All donations go directly to help Adams Electric members.
- You may join the Round-Up program any time during the year by contacting the cooperative at 888/232-6732. You may cancel participation whenever you wish.

### Other ways to donate:

Also donate by adding a one-time amount to your bill each year, sending in a personal check or contributing your patronage capital money.

To participate, complete the other side of this form and return to: Adams Electric Cooperative, Inc., 1338 Biglerville Road, P.O. Box 1055, Gettysburg, PA 17325-1055.

*NOTE: The Project Helping Hand Fund has a 501(c)(3) designation and all donations are tax-deductible. A donation through your monthly electric bill will be noted on your January and February bills each year.*
