Savings never looked so

Suite

HomeEnergy SUITE

Adams Electric's free, Web-based Home Energy Suite offers easy to use calculators to estimate monthly and annual energy costs from your home computer.

APPLIANCE CALCULATOR

A pre-1993, refrigerator - freezer costs \$206 a year to operate.

LIGHTING CALCULATOR

Changing a standard, 60-watt bulb to a Compact Fluorescent light bulb can save \$36 a year.

A plasma TV costs \$90 a year to run 5 hours a day, 7 days a week.

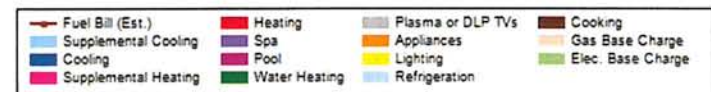

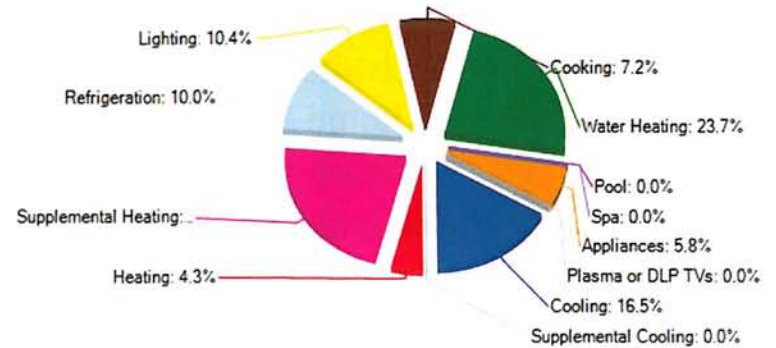

SPACEHEATER CALCULATOR

A 1,500-watt space heater, running 8 hours a day, costs \$36 a month.
