# Your electric bill includes a lot of useful information

## METER INFO:

Lists the meter readings, date meter was read, your account's rate classification and charges for electricity used for the time period shown.

## ENERGY SUPPLY:

The combined charges for electric generation and transmission services.

## DISTRIBUTION:

Adams Electric's costs to deliver power to your home or business, based upon your electricity (kwh) use. Includes a monthly access charge – the cost to maintain the equipment needed to deliver your power, and a storm reserve – money set aside to cover costs following a major storm.

## BASIC CHARGES:

The two regulated charges for electric service include energy supply and distribution.

## MESSAGE AREAS:

Look for important cooperative information, changes and announcements in these areas.

## GENERAL INFORMATION:

Explains meter reading and bill payment options and details.

## EXPLANATION OF TERMS:

Gives definitions of billing terms to explain basic and non-basic charges that appear under Billing Detail on the front of the bill.

## MESSAGE AREA:

Announces products and services available to current members.

**IMPORTANT INFORMATION FOR YOU**

Your invitation is enclosed to join us at an Adams Electric 2018 member meeting. Register now to attend and learn more about the people "Behind the Power" who work to bring you safe, reliable power at competitive rates. Hope to see you there!

Your participation in Round Up for Project Helping Hand will help those members who need help paying their electric bills. Sign up to have your electric bill rounded up to the next nearest dollar each month. Thank you!

**ADAMS ELECTRIC MEMBER**

DATE BILLED	METER NUMBER	ACCOUNT NUMBER
02/02/2018	45678912	1234567800

**PAYMENT DUE 02/22/2018 156.58**

Penalty on outstanding balances will be applied after the due date

Your meter is read automatically. The cooperative reads your meter each month using an automated meter reading (AMR) system. An automated meter sends your reading electronically over the power lines.

## ACCOUNT SUMMARY:

Lists previous balance, adjustments, late fees, payments and current account balance.

## KWH USE HISTORY:

This chart shows monthly and daily kwh use, the number of days involved, and an average monthly temperature for the month being billed. A bar-graph shows kwh used in the current month and the last 12 months. This information will help you track your energy use effectively.

## NON-BASIC CHARGES:

Outlines charges not related to generation, transmission and distribution of electricity. May include participation in Project Helping Hand and energy loan payments.

## PAYMENT DUE:

Lists the date and amount of payment due. If you use automated payments, this area will indicate when the money will be withdrawn from your bank account.

**GENERAL INFORMATION, WAYS TO PAY AND EXPLANATION OF TERMS**

An automated system reads your meter each month. **Bills are due by the due date shown on the front of the bill**, which applies to current charges only and does not extend the due date for previous charges. Unless you are on budget billing or have a credit, the amount shown as "Balance Forward" is past due and subject to a 1.5% finance charge. Non-payment of past due amounts may result in service disconnection.

**Wholesale Power Cost Adjustment (WPCA):** This charge, listed under Energy Supply, recovers higher than normal wholesale energy supply costs. It can also pass savings back to members when energy supply costs drop.

**Distribution Charge:** This charge includes the cost of delivering electricity over the co-op's distribution system.

**Monthly Access Charge:** This charge includes the cost to maintain the distribution lines and equipment in place. It is included on each bill whether or not any electricity is used.

**Major Storm Reserve:** This fund collects money to cover costs associated with restoring service after a major storm.

**Non-Basic Charges:** This area includes items not related to basic charges—donations to Project Helping Hand and Coop Owners for Political Action, or energy loan payments.

**ACRE/Co-op Owners:** Contributions to the Action Committee for Rural Electrification (ACRE) are not tax-deductible for federal income tax purposes. Contributions to ACRE are voluntary and will be used for political purposes. You have the right to refuse to contribute without reprisal. Any contribution guidelines presented are merely suggestions. You are free to contribute more or less than the suggested amounts, or not at all. ACRE will not favor or disadvantage anyone by reason of the amount contributed or a decision not to contribute.

**Balance Forward:** The amount carried forward from your previous electric bill.

**District Office Locations and Hours**  
1380 Biglerville Rd., Gettysburg  
10 Duncan Rd., Shipensburg; 200 Trinity Rd., York  
Mon. - Thurs., 7 a.m. - 5 p.m. Closed Fri. and on major holidays

Services/Billing: 888/232-6732 or 717/334-2171  
Billing assistance available by phone during office hours  
Emergency Service: 1-800-726-2324
