THE NATIONAL
RURAL ELECTRIC

Current
High School Juniors!

DON'T
MISS
OUT!

Adams Electric values education and training as one of the seven cooperative principles, particularly when it concerns our community's youth. To be considered, students must be current high school juniors and must submit a resume and participate in a face-to-face interview process. If you want to be part of this fun (and free) week in Washington, D.C. visit adamsec.coop for more information and apply between Novemer and January.

Washington, D.C. Bound!

Congressman Scott Perry speaks to Youth Tour delegates from Adams Electric

Make Friends and Make Memories!

The National Rural Electric Youth Tour program, sponsored by the National Rural Electric Cooperative Association (NRECA) and Adams Electric Cooperative, offers current high school juniors the opportunity to travel to Washington, D.C. for an all-expenses paid week of fun, learning and sightseeing during the summer before their senior year. Participants get the chance to meet their states' congress person, see the U.S. Capitol, and tour national monuments and memorials with peers from around the country. Students participating in the trip typically visit the Newseum, Capitol Hill, National Zoo, Arlington Cemetery, the Holocaust Museum and the Pentagon Memorial, among other sites.
